

MUNA
Model United Nations
Assembly
UN Simulation

Three senior secondary students represent a UN Nation in debates on matters of world political concern. The teams wear the national dress of the countries they are representing and respond to the questions as those countries would respond.

Held at the Nan Tien Temple, Wollongong

May each year

RYLA
Rotary Youth
Leadership Awards

RYLA is a premier youth leadership development program designed to promote proactivity, personal and professional development of Australian youth who have already been identified with exceptional leadership potential.

RYLA recruits only the highest calibre young people (19-25) and offers this group the chance to access some of Australia's most influential and motivational speakers, experts in a variety of fields.

One of Rotary International's key commitments is to helping young people prepare for the future and to build the next generation of leaders.

Look for applicants in September

Rotaract

Rotaract Clubs are service clubs for young adults 18 to 30 years, the aim of which is to develop leadership skills and responsible citizenship through service to the community

6.30—8.30 at Wooloware Golf Club*

Rotary Youth Programs

RYPEN
Rotary Youth Program
of ENrichment
Residential Weekend Seminar

A weekend where 14 to 16 year olds have an opportunity to discover through ideas, problem solving, team and group activities, experiences that will assist them in forming their own values and moral standards, and to broaden their cultural, social and academic horizons. All this whilst enjoying themselves and the facilities of a water and bush land setting, close to Sydney.

May each year

Interact
International Secondary
School Service Club

Interact is an international organisation of service and social clubs for young people of secondary school age that fosters leadership and responsible citizenship and promotes international understanding and peace.

Combining the words "international" and "action" created the name.

Interact clubs are sponsored by Rotary clubs. Rotary clubs provide guidance and inspiration, but the Interact clubs are self-governing and self-supporting.

**The Siemens
Science
Experience**

Three days of hands-on science and technology experiences in Australian universities for Year 9 students entering Year 10 next year.

Arranged with the help of thirty-three participating universities, the Young Scientists of Australia and the Australian Science Teachers Association.

September and January holidays

NYSF
National Youth Science
Forum
Summer School Vacation Seminar

The NYSF helps students moving into Year 12, who wish to follow careers in science, engineering and technology by introducing them to research and researchers, by encouraging the achievement of excellence in all their undertakings, and by helping to develop their communication and interpersonal skills.

It also fosters discussion of, and interest in major national and global issues and emphasises the importance of maintaining continuing active interests in sport, arts and music.

2 weeks in January

**Youth Exchange
Inbound**

An opportunity for students from other parts of the world to study for up to one year in our District.

The impact on future international relations is incalculable, however, the impact on the lives of those students fortunate to participate is most evident.

Students arrive January, March, July/
August

**Youth Exchange
Outbound**

An opportunity for students completing secondary schooling to travel to other parts of the world to study for up to one year in an entirely different environment.

The impact on future international relations is incalculable, however, the impact on the lives of those students fortunate to participate is most evident. Those young people are the potential leaders in their future community, playing a vital role in the shaping of tomorrow's world.

Apply February each year
